##### **Outline**

As we continue to monitor the situation and adhere to LA guidance regarding social distancing, you will be instructed nearer the time as to whether this training session will be virtual or face to face. Timings and content are subject to change depending on which 'platform' is used for training".

##### **Description**

This free short course is provided by Beacon Counselling Trust, a North West based organisation who provide support to problem gamblers of all ages. They also provide training to a wide audience of practitioners working with children, young people and families. This course will be run via Microsoft Teams and lasts approximately 1 hour 30 minutes. It aims to introduce participants to the subject of problem gambling amongst young people, how this can be identified and how support can be provided. It also gives attendees information about using screening tools to assess where young people are problem gambling.

##### **Outcome**

Themes of the Course:

Definition of gambling and problem gambling

Prevalence statistics

Risk factors and impact on young people

Hidden harm

Warning signs/indicators in young people

## Audience

This course is open to anyone who works with children, young people and their families. Workers from adults services will also find this useful as many of the issues cross over into the adult world.
